MESSAGES FROM **EXECUTIVE CHAIRMAN**

FIRST and foremost, I would like to take this opportunity to welcome all the participants, volunteers and government agencies involved to the inaugural edition Tour of Peninsular 2019.

Given the opportunity to organize this very special cycling event, which granted a UCI 2.1 status category in its inception, gives me huge responsibility with a high degree of commitment to organize a full pledged international standard cycling event on a class of its own. Therefore, I would like to thank the Union Cycliste Internationale (UCI) and the Malaysian National Cycling Federation for giving the organizer a huge amount of trust in putting Tour of Peninsular (ToP) in a special organizational category for a debut.

The organizer would also thank the Ministry of Youth and Sports Malaysia for their all the support and assistance towards the event from the very beginning of the Tour of Peninsular chapter. The inception of TOP2019 in the "Bulan Sukan Negara" calendar as one the main events, would definitely put us at par with some of the best sports event in the country during the whole month celebration.

I would also give a heartiest thank our sponsors, Opimax Group of companies, and State Government of Terengganu for making the organizational dream come true. We also extend our deepest appreciation to all related ministries, state governments, government agencies, local and international media, Tourism Malaysia and all other agencies which have pledged their support and contributions in the making of the Tour of Peninsular, I thank you all.

Moreover, to all the professional competing cyclist, on their pedal in front of the cheering crowd at University Institute Technology Mara (UITM) Dungun, eagerly waiting for the first flag off of the Tour of Peninsular, I wish all of you good luck and enjoy the race. Lastly, to those international riders and teams, welcome you to our beautiful country, Malaysia.

DATO' HAJI MUHD OPANDI CHE WOOK
Executive Chairman

MESSAGES FROM MNCF PRESIDENT

I WOULD like to take this opportunity to welcome all the participants to the Tour of Peninsular 2019. On behalf of the Federation, it gives us great pride to welcome a "special child" in the Malaysian cycling calendar, a newly registered event with a special accreditation of a UCI2.1 category.

The Federation would like to congratulate the organizer Motoshoot Event Sdn Bhd which received a special UCI recognition to start a brand new event. The recognition proves nothing more, but to produce another world class cycling event, here in Malaysia. Nevertheless, I trust the organizer shall live up to the expectation, as they were made of experienced individuals and great team players, involved in all the big races in Malaysia.

Tour of Peninsular 2019, is surely give another milestone in the local cycling scenes, as Malaysian top riders shall take all the advantages to clinch points and podiums in front of their own supporters, in a strong professional competition level.

The Federation would also hope Tour of Peninsular should improve to a greater height in the future and stays on the backdrop of Malaysian cycling development.

And to all the riders taking part, I wish all of you the best of luck.
